

THE BALDWIN CENTER HOLIDAY STORE

Thank you for helping *The Baldwin Center* provide gifts to those in Pontiac that need economic assistance. Some things you should know about our Holiday Store:

- *The Baldwin Center* assists 300 families each year which amounts to over 1,200 individuals. Children must be a part of the family in order to be helped.
- Each family is qualified and must meet income guidelines. Family income must fall below the Federal Poverty line.
- Baldwin participates in the Pontiac Clearinghouse where Pontiac agencies share lists so that agencies are not serving the same families.
- An appointment time is established for each family. The store runs for 2 long days on December 17th and 18th. The store will serve up to 150 families per day.
- All families receive gifts AND a food basket that includes items for a holiday meal and other goods. The box should provide enough food for three weeks.
- Every child and parent receives both clothing and toys or personal items.
- Parents have some choice about what gifts and clothing their children receive depending upon supply. Each family also receives wrapping paper and tape so that they can wrap the gifts themselves.
- Gifts are needed at the Baldwin Center by December 15, 2011. The Baldwin Center is located at 212 Baldwin Ave., Pontiac, MI 48342. If you have additional questions, please contact Alex Plum at 248.332.6101 or aplum@baldwincenter.org
