## The Baldwin Center

Baldwin United Methodist Church was founded in 1917 and became a place of hope and support to its neighbors and the residents of Pontiac. In 1981, faced with tremendous human need in the neighborhood, the congregation and its Pastor decided to open a Community Center and Family Kitchen. Our focus then and now is to support families and children with meals, programs and a safe place to gather.

We are newly independent, with a new governing board and all the same programs. We celebrated the Center's 25th Anniversary in June 2006.

We are blessed with many loyal and long time supporters. One of our quiet, committed supporters has been giving to the Center for over 12 years because she saw the face of need and hunger in a little boy with only one glove waiting to get a meal when she came to donate a sofa.

Operating The Baldwin Center is a partnership with our tremendous volunteers, staff and supporters. Our Annual Baldwin Golf Classic is an example of that partnership and your participation is a key factor in our success.
