

# PARTNERS IN HOPE

Our new PARTNERS IN HOPE Program has been designed to be safe and convenient for our supporters. Now you can make a regular, systematic donation to The Baldwin Center to help us continue our mission to 'feed, clothe, educate and empower' those disadvantaged families and children in Pontiac.

By using a credit card or debit card with a Visa or Master Card logo, you can choose your donation amount, frequency and day of the month you want action taken. Your personal information is secured by a password, will be kept secured in our administration office and will be treated with the utmost confidentiality.
